Principal’s Report

Parent Teacher Interviews

Our Parent/Teacher interviews are set for Tuesday the 25th August. Letter have been sent home with the times teachers are available for interviews. If you haven’t returned your interview request form please make sure it is returned to the school as soon as possible.

Full School Review, Parents Needed!

Next Monday and Tuesday our school will undergo a full school review to provide recommendations for our improvement and also guide us in developing a new four year school plan.

We are requesting some parent volunteers to speak with the reviewers on Monday afternoon from 3.00pm-3.30pm. If you are able to attend can you please let us know through the office. If you normally pick up your child/children at that time they can be supervised in the library while you speak to the reviewers.

Great Attendance Year 6

Congratulations to all the Year 6 students for the great attendance for weeks 3&4 of Term 3. The Year 6 students had an attendance rate of 97.22%.

Gympie Zone Athletics & Well Done Kody

Congratulations to the students that competed in the Zone Athletics Trials yesterday. As always the competition was fierce and the students represented themselves and the school wonderfully.

We also need to congratulate Kody for making the Wide Bay Rugby Union Team. He recently represented our school and Wide Bay at the state competition held on the Gold Coast.

Woolworths Earn and Learn

This year we will be participating in the Woolworths Earn & Learn program. Through this program we will be able to get new educational resources for our school – and all we need you to do is shop for your groceries at Woolworths.

Please collect the stickers given out at the checkout and send them into the school.

Thank you

**P&C News**

Wow! Was the collective expression from 40 women at the Rural & Regional Women’s Network High Tea on Tuesday 4th August. Our wonderful school mum’s and citizens outdid themselves with a fine spread of delectable treats (a picture of the feast was even posted on their facebook page).

A huge thanks to Chris & Laurie Heeb, Sandra Twiner, Alisha Wason, Teresa Day, Julianne McLean, Helen & Naomi Geri, Gary McNeven, Sandra Gilchrist & Suzy Backhouse for all your delicious baking and help on the day.

Thank you
P&C Executive

**Scoliosis**

Scoliosis (Spinal Curvature) is an important health problem for adolescent girls and 25 girls per thousand are at risk of developing a significant curve. This curve can be treated, with 3 per thousand requiring active treatment each year (spinal brace or surgery). Because in the early stages the condition is often asymptomatic, screening in the age range 11–13 years is a sound preventative health measure. The current program for this is a Self-Detection Program.

July/August every year are the months when it is recommended that all schools with girls in Years 7 & 9 participate in the National Self-Detection Program for Scoliosis (NSDP). The program can be either directly accessed via the Scoliosis Australia home page at www.scoliosis-australia.org, or alternatively the brochure with this information can be accessed at the Administration Office. Forms were handed out to female students in Years 6/7 and 9 last week.

Rugby Union Success

During week three Kody travelled to the Gold Coast to play as part of the Wide Bay U15s Rugby Union side.

Kody was selected in the team earlier this year and has attended several training sessions since then and again during the week prior to the competition. Over the three days of Thursday, Friday and Saturday Kody played 6 games and said the team played well and although they didn’t place in the finals he really enjoyed the experience.

Even though we are used to Kody being our ‘friendly giant’ Kody said that he was one of the smaller boys there and that the games were hard but he had fun. It is a great achievement to be selected for this team and we are all very proud of Kody’s efforts. Well done!

Thanks!

Ms Graham
