Year 10 Best Attendance

With an attendance rate of 93.3% the Year 10 students have had the best attendance for weeks 9 and 10 of Term 3. Make sure you check out the students that received individual certificates for great attendance throughout Term 3. Our target as a whole school is 95% for 2015.

Year 10 Work Experience

It was great to hear all the positive reports from employers as to how the Year 10 students conducted themselves in their first week of work experience.

The second week of work experience for the students will be next week and I look forward to hearing all about their busy week.

Medications at School

It is policy of Education Queensland that every child that is taking medication for Asthma or is an Anaphylaxis sufferer must provide an Action Plan for Anaphylaxis or Asthma completed by the student’s *medical practitioner* when medication is prescribed to manage emergency health conditions/situations for these health conditions. When you visit your doctor next please organise this action plan and bring a copy to school which will be held on your child’s file. Thank you for help with this important issue.
