Excellence in Implementing LEM Phonics

This morning we have three staff members from Jones Hill SS visiting to see how we implement our LEM Phonics program. Next week we will also be hosting staff from Clontarf Beach SS to observe our LEM implementation. This is a great advertisement for our school as obviously word is travelling on what a great job our teachers are doing in implementing a quality phonics program for our students.

Prep Enrolments 2016

All Queensland children are eligible to attend full-time Prep from the beginning of the school year in which they will reach the age of 5 years by 30 June. Children whose birthday is in July through to December commence Prep at the beginning of the school year after their 5th birthday.

Ring the office on 5487 3333 to put your child’s name on the list or call into the office to see Vicki or Clair.

The Prep information morning for parents who will be enrolling their child into Prep in 2016 will be held on Thursday the 19th November at 9.00am. Please bring your child’s birth certificate so we can make a copy.

Swim Carnival Tomorrow

Tomorrow the 12th November is the annual swim carnival for our students. Miss Graham and Mrs Davies have been speaking with students and sorting out nominations for the races to be held on the day. If you have any questions regarding the swimming carnival please contact Mrs. Davies. Students will meet at school on the day and then we will walk over to the pool.

Best Attendance

The Year 6 students took out the award for the best attendance for weeks 3&4 of Term 4 with an attendance rate of just over 96%. Remember to please let the office know the reason why your child is absent.

As a whole school we are aiming for an attendance rate of 95% for 2015.

**CHAPPY NEWS**

This Term is really flying past so fast! We are in Week 6 already and for many of our high school students, the end of the year is even closer. It is so important that students keep putting in their best effort, right up to the very end. Parents can play a part in encouraging students with their learning and giving their best in exams and with assignments. The effort put in today, really will make a difference tomorrow! The importance of doing our best consistently, is not just a goal for our students, but for all of us grown-ups too. Let’s make it a lifestyle to endeavour to always do our best. We can make a difference!

**Food for Thought**

Every day brings opportunities to experience and enjoy a productive life, but many people let their lives just slip by, accomplishing little. These are the people who often complain of boredom and disappointment with life, but they are often too lazy to take the time to investigate ways of improving their current situation.

What about you? Are you making the most of each day or are you unhappy and just wishing that things were different? If there are things in your life that you know you could change for the better, stop wishing and start considering your options.

If you need a bit of advice to help you, please understand that you are never alone. There are many wonderful organisations such as UnitingCare Community who can help you with relationship or financial advice. Here within our school community, we have Guidance Officers and other support staff, including myself who are available to you.

Don’t waste one more day. Start making the effort to live life to the full.

**SCHOOL NURSE CHAT**

Follow these tips to ensure your child is protected from the sun:

1. **Slip**—dress in appropriate clothing that covers as much skin as possible
2. **Slop**—apply SPF 30 or above sunscreen before leaving the house in the morning.
3. **Slap**—broad brimmed hat (caps do not protect the sides of the face, ears or back of the neck)
4. **Seek**—play in the shade when outside especially in the hottest part of the day.
5. **Slide**—slide on the sunglasses to protect eyes from the sun too

Outdoor play and physical activity is essential for children’s health and wellbeing, but it is important that they are protected from the harmful effects of overexposure to UV radiation.

PREP ENROLMENTS NOW OPEN

All Queensland children are eligible to attend full-time Prep from the beginning of the school year in which they will reach the age of 5 years by 30 June. Children whose birthday is in July through to December commence Prep at the beginning of the school year after their 5th birthday.

Ring the office on 5487 3333 to put your child’s name on the list or call into the office to see Vicki or Clair.

When you contact us make sure we get your name and address as we will be having a Prep Orientation Morning Tea closer to the end of the year where we will be able to answer any queries you may have. It is compulsory that we have a copy of your child’s birth certificate to be eligible to enrol, so bring along the original and we will take a copy for our records.

Looking forward to meeting our new Prep families!

MATHS: continual monitoring of student work samples.

SCIENCE - continual monitoring of student work samples

HPE – Practical assessment of swimming throughout the term.
