Under the agreement for 2015
Kilkivan State School will receive

$48,400*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Increase the mean scale score of individual students in Years 3, 5, 7 and 9 Literacy and Numeracy above National Minimum Standards in 2015.
- Develop and implement an Individual Curriculum Plan for students who are below the National Minimum Standard in Reading and Numeracy.
- Develop and implement an Individual Curriculum Plan for students in the Upper Two Bands in Reading and Numeracy.

Our strategy will be to

- We will use a continuous process in focus areas of Reading, Writing and Numeracy to assess students’ current performance, apply targeted intervention strategies to the needs of the students; and re-assess students to monitor improvement. This process will be applied to students below National Minimum Standards and students in Prep – Year 2 that are below school identified targets.

Our school will improve student outcomes by

- Employ additional teaching staff to provide targeted intervention and extension to students identified through NAPLAN testing and school based diagnostic assessment ($26,000).
- Provide additional Teacher Aide hours to support literacy and numeracy blocks throughout the Primary School ($10,000).
- Upskill Teachers and Teacher Aides in LEM Phonics and support implementation to improve Literacy outcomes. Upskill Teachers in Seven Steps to Writing Success ($12,400).
