PRINCIPAL'S REPORT

A huge thank you to Mrs Morrow for the amazing work she did with our advanced and beginner primary instrumental music students at the boot camp this week. Thank you also to all of the parents and carers who did the pickup and drop-off in town so that the students could attend. It was unbelievable to see how much they had learned in such a short amount of time and their final performance was spectacular.

The high school students continue to have the opportunity to either study or participate in an extension class on Friday afternoon. This term students can choose from a gym workout with our resident fitness fanatic Mrs Bainbridge, join the Art group with our creative Miss Gibson, compete in STEM robotics challenges with our tech genius Mr White or head to the yards to work on Cattle Club projects with our Ag specialist Miss Mawhinney.

Thank you to all of the parents and carers who completed the School Opinion Survey. Your feedback is always valued and helps us to continue to meet student needs and community expectations. The survey closes tomorrow and all survey links were emailed to parents.

The final payments for Student Resource Schemes are now due. We also have a number of camp payments and consent forms due on QParents. Please come and see me if you would like some help with a payment plan.

Next Friday will be our Term 3 movie night. The amazing Student Council will again be running this fun event. There will be 3 different movies to suit the various age levels of students and order forms have already been sent home for pre-ordered food.

Kind regards,

Renai McLean

The Gympie Special School is holding our biennial Art Show and Auction on Thursday the 29th August 2024. This event is a major fund raiser for the school P&C with funds supporting our Senior Secondary students to attend camp and other experiential learning activities.

We are a small, yet important school within the Gympie community and invite you, your family , friends and work mates to come along and support our students. We will be displaying and auctioning art works created by artists from the Sunshine Coast and Gympie regions.

There will be a range of items to bid for with some amazing paintings, wood work, a cork handbag, quilting, photographs and pottery on offer. Some of our supporting artists include Karan Gerard, Patricia Wheatstone and Graeme Love from the Sunshine Coast based Artists Alliance Australia, Peter Wallace Pottery, Cork and Cotton Creations, Coastal Ceramics and up and coming young Sunshine Coast artist Mitchell Cheesman.

Come along and enjoy a free sausage sizzle from 5:45pm with the auction beginning at 6:30pm. There will be a silent auction conducted while sausages are being served. Don't forget to make a bid, you might go home with that perfect piece for the lounge room or the office.
