School Overview

Our Motto is Believe, Strive, Achieve - Believe in yourself; Strive to do your best; Achieve your goals. These affirmations permeate our programs across all Key Learning Areas. They are our drivers to support a broad range of learners and teaching styles. Kilkivan State School is a Prep to Year 10 school catering for diverse learning needs. Our Special Education Program supports learners with disability in mainstream classes, assisting with transitioning into the workforce or senior secondary schooling. Focussed Career Programs for Years 9 and 10 provide realistic opportunities for students to plan their future pathways. Secondary subjects in Industrial Design, Agriculture and Food Science are firmly established in the secondary years with students commencing elements of these programs in Years 6 and 7. Every child, every day learning and achieving is the focus for all of our staff. We know that individualised goals and support both at school and home provides the greatest progress for our Kilkivan State School students. Our early years learners are immersed in a strong developmental program preparing them for the years ahead. We are a small rural school making sure our students' learning is enriched through well planned excursions and extra-curricular activities.

Principal's Foreword

Introduction

School Progress towards its goals in 2017

Improvement priority : Numerate learners - Problem solving approach

Strategy : Fostering a differentiated approach to enable the development of successful learners

Actions	Targets	Timelines	Responsible Officer/s
Strengthen and track the foundation skills of all students in number by creating a continuum of rapid recall routines from Prep to year 10.	100%	Term Two	All Staff

Develop a bank of resources that will allow all students to engage with open ended tasks and multistep problems.	100% of primary teachers and all of the maths and science teachers.	Term Two	Boyd Mclean Shellee Davies Amelia Olsen Robyn Barsby Brett White
Create a whole of school problem solving approach that engages the see, plan, do, check process and utilises a bank of successful strategies such as the Singapore Bar model.	100% of students developing skills	4 terms	All Staff
Analysing data at five weekly intervals focusing on the problem solving components of C2C tasks and utilise the Gympie Alliance diagnostics as a precursor to unit development and delivery.	100% of staff using opened tasks	Throughout the year	All Staff
Link with Rob Proffitt-White and the NCR team to strengthen our whole school approach to improving teaching of number.	15 to 30% improvement in A –C data	Throughout the year	All Staff

Strategy : Exposing students to a range of teaching strategies including explicit instruction whilst investigating and teaching a range of problem solving approaches.

Actions	Targets	Timelines	Responsible Officer/s
Explicitly teach the language of problem solving and the skills necessary to break down two part problems,	100% of students	Throughout the year	All staff
Explicitly teach the Singapore Bar strategy as a problem solving approach.	Year 3 -8	Throughout the year	All Staff
Explicitly teach students to solve multistep/ open ended problems using part, part, whole, - see plan do check.	100% of students	Throughout the year	All staff

Improvement priority : Literate Learners – whole school writing focus

Strategy : Fostering a differentiated approach to enable the development of successful learners			
Actions	Targets	Timelines	Responsible Officer/s
Ensure implementation consistency of the whole school differentiated writing program.	100% of teaching staff	Throughout the year	All staff
Provide intervention, support and extension to students based on regular data analysis of student achievement.	Recognised students	5 weekly cycles	All Staff
Explicit teaching of writing strategies with a focus on individualised learning goals	100% of teaching staff	Throughout the year	All staff
Strategy : Creating a culture of whole data analysis around teaching of writing.			
Actions	Targets	Timelines	Responsible Officer/s
Ensure consistency of assessment, marking and making judgment within the school and across the P-10 cluster. Align professional development opportunities, coaching and feedback to all staff.	100% of teaching staff	Throughout the year	All staff
Strengthening a data literate community. Teaching staff participate in data discussions at 5 weekly intervals, to identify intervention and extension strategies to ensure all students are succeeding. Individualised goals to be shared with parents.	100% of teaching staff	Throughout the year	All Staff
Provide professional development to successfully implement the STRIVE program. Link with Marcella Reiter around the importance of developing vocabulary.	100% of teaching staff	Term two	All Staff
Strategy : Empowering staff the to embrace research based best practice and links within our cluster.			
Actions	Targets	Timelines	Responsible Officer/s
Develop a structured coaching/ feedback culture that is owned and embraced by all staff.	100% of teaching staff	Every 10 weeks	All staff
Professional development plans will align with improvement priorities and a structured coaching model.	100% of teaching staff	Every 10 weeks	All Staff

Provide parent workshops at least once per term focusing on implementation priorities.	75% of parents	Once per term	All staff
Connections between schools to support coaching/feedback and moderation. Work with Sally Renkine to develop a structure of pre-moderation that clearly maps new concepts to be explicitly taught.	100% of Teaching and admin staff and 50% of aides	Throughout the year	Principal and BSM

Improvement Strategies Linked to the AIP 2018

Strategy 1: Develop a structured approach to writing that supports individualised learning.

	Responsible	Date
<u>Writing Program</u> PD on Writing Program from The Writing Hub 2 x 2.5 hour sessions Term 2 based on pre-reading of modules and engagement of questions <u>Writing Rotations</u> These are at levels with differentiated goals Human resources invested to reduce group size Pre and post testing Teachers working with teachers (moderation and pre-moderation to develop a plan for the next 10 weeks)	Boyd, Rachel, Renita, Emma, Hollie and Amelia	T 2
<u>Grammar and Punctuation</u> Develop and understand a grammar and punctuation continuum (Critical Aspect Triangle) Align resources to those key areas Warm up activities	Karen? Emma Hollie	T 2-4
<u>Spelling</u> Develop a consultative committee during Term 1 Research local schools who are achieving great results in Spelling, both primary and secondary Reflect on literacy continuum to see how it would look from P-10 Develop - spelling continuum, assessment tool, marking guide for key concepts, LEM rule continuum, teacher resources, vocabulary program	Lisa, Emma, Hollie, Joahn	2018 /19
<u>Literacy Continuum</u> PD (either externally lead or internally) Divided between P-2, 3-6, 7-10 Initially, focus will be on staff familiarity with the Continuum as a whole and then focus on individual Critical Aspects that are related to our key improvement areas	Renai Emma Lisa Hollie	PD Wk 2, T 2 Renai

<u>Literacy Warm Ups</u> Lessons start with a literacy warm up – a simple, quick, activity that requires no prior planning or preparation These warm ups do not have to directly link to the lesson goals, but do need to relate to our overarching goals of improving writing, grammar and punctuation Sharing session each week with all staff	All staff	2018
<u>Lesson Focus</u> Each lesson begins with a goal and an explanation of the purpose of the goal (similar to WALT, WILF, TIB) These are displayed, discussed and students record them in their books or homework diaries	All staff	
Strategy 2: Develop a structured planning process that explicitly engages with the four mathematical proficiencies.		
<u>Planning</u> Math Planning (60:20:20) Planning anchor charts for numeracy with use of diagnostics to guide the teaching (all math teachers use these) Orange booklets and modified assessment tasks	Boyd Rachel Brett	T1 T2
<u>Structured numeracy block</u> Warm up activities Number talk activities (Jo Boaler) Open-ended tasks Explicit teaching	Boyd Rachel Brett	2018
<u>Proficiencies</u> Proficiencies: fluency, understanding, problem solving and reasoning Complex familiar, complex unfamiliar	Boyd Rachel Brett	T2

Our School at a Glance

School Profile

Coeducational or single sex:	Coeducational
Independent Public School:	No
Year levels offered in 2017:	Prep Year - Year 10
Student enrolments for this school:	

	Total	Girls	Boys	Indigenous	Enrolment Continuity (Feb – Nov)
2015	94	50	44	13	92%
2016	97	55	42	16	88%
2017	102	52	50	16	91%

Student counts are based on the Census (August) enrolment collection.

In 2017, there were no students enrolled in a pre-Prep** program. However we work with our local early learning centre on a regular basis to ensure our students transition seamlessly into prep.

** pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (<https://qed.qld.gov.au/earlychildhood/families/pre-prep-indigenous>).

Characteristics of the Student Body

Overview

Approximately a third of our students come to school on one of two bus services. Students could be travelling upwards of 30km each way to attend our school. Being in a rural area, a number of families are involved in pastoral or agricultural activities. A number of families live on small acreage as a lifestyle change or in the township. The school successfully supports a number of students with disabilities including high need students with physical, visual, ASD and intellectual disability.

Average Class Sizes

The following table shows the average class size information for each phase of schooling.

AVERAGE CLASS SIZES			
Phase	2015	2016	2017
Prep – Year 3	19	20	17
Year 4 – Year 6	15	18	24
Year 7 – Year 10			
Year 11 – Year 12			

Curriculum Delivery

Our Approach to Curriculum Delivery

Kilkivan State School provides a wide variety of learning experiences for students through curriculum programs in all nationally agreed key learning areas. We support students through differentiating the curriculum in the classroom, providing small group support and monitoring student growth carefully to provide one on one intensive support when needed. We also look to extend students, and opportunities exist to participate in a range of academic competitions as individuals and groups as well as participate in online learning with students from other schools. Students from Prep through to Year 10 have the added opportunity to participate in Manual Arts and Visual arts. These lessons are delivered by specialist Secondary Teachers.

Co-curricular Activities

The extra curricula activities that are available to our students include:

- Leadership Opportunities including Student Council
- School Discos and Movie Nights
- Human power vehicles
- CO2 Dragster and Solar powered boat competitions
- Push cart team challenge
- Coding Club
- Choir
- Instrumental music
- School band
- Mathematics Club
- Running Club
- Netball and Tennis
- Class Excursions
- Camps across all year levels.

How Information and Communication Technologies are used to Assist Learning

ICTs are an integral part of the curriculum. ICT resources are readily available in order to assist all areas of teaching and learning. A one to one laptop program is in place for our year 9 and 10 Secondary students funded Classrooms have interactive whiteboards that are utilised to support and engage curriculum delivery. In 2017 the school invested in technologies to future engage students to be productive and creative members of an ever-changing technologically advanced environment. Our students now have access to 3D printing, laser cutting, robot and drone coding.

Social Climate

Overview

2017 saw the continuation of the 'You Can Do It' social emotional program throughout the school from Prep through to Year 10 which provides a common language to reinforce a range relationships and value concepts. The implementation of Positive Behaviour Learning has also had a direct and immediate positive influence on the social climate of the school. There is a common language and agreed ways of dealing with behaviour in a proactive and positive way across the school.

Parent, Student and Staff Satisfaction

Parent opinion survey

Performance measure			
Percentage of parents/caregivers who agree [#] that:	2015	2016	2017

* Nationally agreed student and parent/caregiver items

'Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement.

DW = Data withheld to ensure confidentiality.

Parent and community engagement

Parental involvement in your child's education is vital and opportunities exist at various levels to enable parents to be engaged to an extent that best suits them. This involves ranges from attendance at events and functions to volunteering to assist with class activities through to involvement at a decision making level through the P&C Association. Once a semester we present a parent teacher workshop that is designed to provide language continuity and support between school and home. We track our student performance data closely, and work with parents in designing programs that meet identified needs. The school is held in high esteem in the community being involved in local events such as the Kilkivan Horse Ride, ANZAC commemorations, horse and cattle associations. In addition we have community members coming in to the school to assist students in home economics and community learning. We also enjoy a positive relationship with the local kindergarten and often have the local Kindy students taking part in our school activities.

Respectful relationships programs

The school has developed and implemented a program/or programs that focus on appropriate, respectful, equitable and healthy relationships. The programs focus on personal safety and awareness, including identifying and responding to abuse and violence, with specific reference to preventing and responding to domestic and family violence and abuse; increasing gender equality, developing students' knowledge and skills to be able to resolve conflict without violence and to recognise, react and report when they, or others, are unsafe. The curriculum based program utilizes our current teaching staff as well as our school chaplain, nurse and guidance officer.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2015	2016	2017
Short Suspensions – 1 to 10 days	0	3	1
Long Suspensions – 11 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

Environmental Footprint

Reducing the school's environmental footprint

We have become more careful around energy use, making sure air conditioning isn't overused and that doors and windows are shut when we do. The instillation of solar has had a positive effect on reducing electricity conception.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2014-2015	124,501	1,002
2015-2016	44,355	
2016-2017	31,433	1,744

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

School Funding

School income broken down by funding source

School income, reported by financial year accounting cycle using standardized national methodologies and broken down by funding source is available via the *My School* website at <http://www.myschool.edu.au/>.

To access our income details, click on the *My School* link above. You will then be taken to the *My School* website with the following 'Find a school' text box.

Our Staff Profile

Workforce Composition

Staff composition, including Indigenous staff

2017 WORKFORCE COMPOSITION			
Description	Teaching Staff	Non-Teaching Staff	Indigenous Staff
Headcounts	13	11	<5
Full-time Equivalents	12	8	<5

Qualification of all teachers

TEACHER* QUALIFICATIONS	
Highest level of qualification	Number of classroom teachers and school leaders at the school
Doctorate	
Masters	1
Graduate Diploma etc.**	
Bachelor degree	12
Diploma	
Certificate	

*Teaching staff includes School Leaders

**Graduate Diploma etc. includes Graduate Diploma, Bachelor Honours Degree, and Graduate Certificate.

Professional Development

Expenditure On and Teacher Participation in Professional Development

The total funds expended on teacher professional development in 2017 were \$25000

The major professional development initiatives are as follows:

- Peer mentoring
- Curriculum planning and alignment
- Coaching and feedback
- Building collective teacher efficacy

The proportion of the teaching staff involved in professional development activities during 2017 was 100%.

Staff Attendance and Retention

Staff attendance

AVERAGE STAFF ATTENDANCE (%)			
Description	2015	2016	2017
Staff attendance for permanent and temporary staff and school leaders.	95%	96%	97%

Proportion of Staff Retained from the Previous School Year

From the end of the previous school year, 98% of staff was retained by the school for the entire 2017.

Performance of Our Students

Key Student Outcomes

Student Attendance

Student attendance

The table below shows the attendance information for all students at this school:

STUDENT ATTENDANCE 2017			
Description	2015	2016	2017
The overall attendance rate* for the students at this school (shown as a percentage).	92%	92%	94%
The attendance rate for Indigenous students at this school (shown as a percentage).	89%	89%	94%

*The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

The overall student attendance rate in 2017 for all Queensland P-10/P-12 schools was 90%.

AVERAGE STUDENT ATTENDANCE RATE* (%) FOR EACH YEAR LEVEL													
Year Level	Prep	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12
2015	89%	91%	95%	94%	91%	87%	95%	91%	93%	95%	87%		
2016	94%	92%	92%	95%	93%	93%	89%	92%	85%	91%	91%		
2017	95%	95%	94%	96%	94%	94%	95%	93%	93%	91%	90%		

*Attendance rates effectively count attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

DW = Data withheld to ensure confidentiality.

Student Attendance Distribution

The proportions of students by attendance range:

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the Department of Education procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

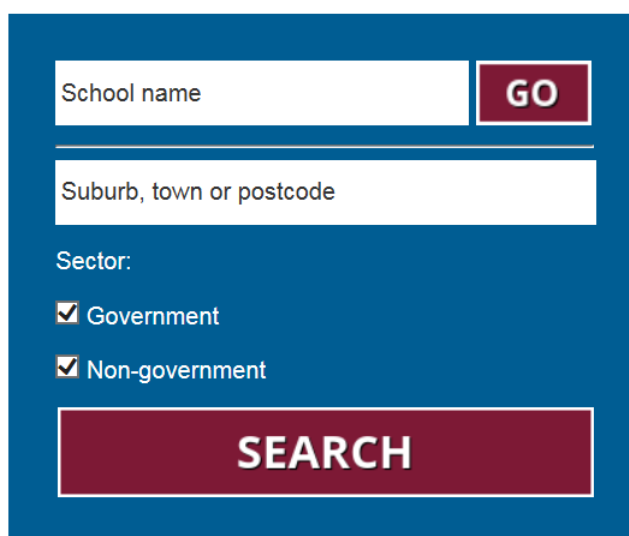

Class rolls are marked twice daily and monitored by administration staff. Parents of students who have an unexplained absence are messaged by 10:00 daily. Significant unexplained absences and 3 consecutive days absent are followed up by school administration staff. Late slips are handed out at the office. Every fortnight there is an award for the class with best attendance percentage, and this is on parade. All parents of students with unexplained absences are contacted by SMS by 10:00 am every day to ensure student safety. At the end of every term we have a 100%er's club. This is for students that achieve 100% attendance in the term. These students are taken down to the local shop where they enjoy a pizza party.

NAPLAN

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.
