

Investing for Success

**Under this agreement for 2022
Kilkivan State School will receive**

\$73,175*

This funding will be used to

In 2022 we are striving to achieve 100% of students gaining a year's worth of growth for a year's worth of work at very least. All students will be individually case managed to focus on A to C progression. No student will go backwards regarding A-C progression.

• Develop KSS pedagogical approach, focusing on appropriate pedagogies to engage our learners, as well as line of sight protocols focusing on the three levels of planning.	All 2022
• Strengthen our observation and feedback process. Focusing on student self-assessment, collaborative assessment of student work across Literacy and Numeracy.	All 2022
• Develop the Kilkivan way to engage 100% of students in our numeracy progressions and support teacher understanding of 3 rd teacher spaces for Mathematics.	All 2022
• Provide extra Teacher Aide resourcing to all Mathematics and English classes to support individual case management of students.	All 2022
• Teachers to plan and moderate together with a particular focus on collaborative assessment of student work.	All 2022

Our initiatives include

- Observation and feedback process with a focus on self-assessment, student observations, peer, Principal and expert teaching team observations.
- Develop line of sight protocols for Mathematics.
- Develop a warm up process from Prep to Year 10 to support automaticity of key concepts in mathematics.
- Providing increased Teacher Aide support in English and Mathematics in order to achieve our goal of having 100% of students progressing.
- Develop 3rd teaching spaces for Mathematics from Prep to Year 10.

Our school will improve student outcomes by

Improving teacher pedagogical practice by having a bank of appropriate pedagogies to engage the learner- 0.1 Teacher	\$9,420
Developing a resource bank of warmups. Create the Kilkivan way of engaging with numeracy progressions.	\$18,400
24x TRS planning and moderation days.	\$11,304
Purchasing Teacher Aide hours to improve Mathematics, English and Science results.	\$34,051
